

Dear Mom,

5,400 home cooked dinners.

936 loads of laundry.

126 sporting events where you sat front row.

Today is your day because 364 days you make it my day. Today serves as a reminder for all the amazing things you do for me each and every day.

You've given me so much, now I want to give back to you. I can't even begin to repay you for your time, love or affection. However, I can start by buying you a special drink on your special day.

Let's go to Starbucks.

Love,
Me
